Von Woody Tanger : The Dead Cure (English Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Dead Cure (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. A good book for lovers of medical mysteries. Von Ein Kunde If you enjoy medical mysteries, then you should give this one a try. Woody Tanger has fashioned a tale that moves crisply and holds the reader's interest. This is an author waiting to be discovered, and surely he will be. 0 von 0 Kunden fanden die folgende Rezension hilfreich. SAVE ME! Von MINI

MI@aol.com I'll never be able to be comfortable in a relationship or on a date again. . . nor will I ever look at fresh squeezed juice the same way. Where is Det. Street when I need him?

Kurzbeschreibung Four prominent physicians collaborated in the writing of this book about a Boston hospital and each demanded anonymity to protect their careers and their lives. The Dead Cure ...at this hospital, while the patients are being cured, the doctors are dying. Dying on the 7th Floor is a way of life. There are no reprieves or last minute commutations. The 7th Floor in Boston's famed Charles River Medical Center has 50 beds and a rotating community of patients whose ultimate fate is certain but whose experimental treatments have headlined medical textbooks. The 7th Floor is a curious place; it's where those who should die are cured and those hunting for cures are dying. Welcome to The Dead Cure!
