AN ILLUMINATING ACCOUNT Von Ein Kunde A VERY INTERESTING FIRST PERSON ACCOUNT--STRESS FIRST PERSON. NOT A DERIVATIVE BOOK OF THOSE TIMES AS ARE SO MANY OTHERS. BOTTOM LINE, IT COULD VERY WELL BE THE BEST LOOK AT WHAT IT WAS REALLY LIKE IN THE GOLD

FIELDS AROUND, NEVADA CITY---GRASS VALLEY, CALIF, IN 1850 THAT YOU COULD FIND.0 von 0 Kunden fanden die folgende Rezension hilfreich. A sleeper--gold fever and personal growthVon Ein KundeGold fever! This diary portrays one man's passage through the turbulent gold rush. From small farmer just wanting to return home with enough money to marry his sweetheart to a man aware of all the world has to offer. A journey of personal growth. Wonderful.0 von 0 Kunden fanden die folgende Rezension hilfreich. ExcellentVon C.D. SihnerAn antidote for all the revisionist history that's come out in the last 20 years. An actual account of a man's day to day life in the 1850's written as it happened. It gives you a good idea of what people were like back then.

KurzbeschreibungIn August 1906, Chauncey Canfield committed to his publisher a found text: the diary, ostensibly verified, of one Alfred T. Jackson, a pioneer miner who joined the Gold Rush from his home in Norfolk, Connecticut, migrating to Rock Creek, Nevada County, California, where he cabined and worked. The Diary covers two years of Jackson's life, and provides us with one of the richest documents of a period of perhaps unequalled importance to the expansion of the United States.KurzbeschreibungIn August 1906, Chauncey Canfield committed to his publisher a found text: the diary, ostensibly verified, of one Alfred T.
