**Von Craig Gross : The Dirty Little Secret** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Dirty Little Secret:

Kundenrezensionen Hilfreichste Kundenrezensionen 4 von 4 Kunden fanden die folgende Rezension hilfreich. Unterhaltsam und gleichzeitig bewegend Von -Kunde "The Dirty Little Secret" ist nach "The Gutter" schon das zweite Buch, das ich von Craig Gross gelesen habe. Und ich bin wieder sehr begeistert - von seinem Schreib- und Erzhlstil, aber vor allem von seinem Dienst. Craig versucht, die Menschen zu erreichen, um die die meisten Christen einen

Bogen machen, obwohl sie gerade diejenigen sind, mit denen sich auch Jesus abgegeben hat bzw. zu denen er seine Nachfolger geschickt hat: Menschen, die unter sexuellen Abhängigkeiten leiden oder selbst in der Pornoindustrie und im "Gewerbe" arbeiten. Craig schildert bewegende Lebensgeschichten und gibt den Menschen ein "Gesicht". Er erzählt sehr offen von seinen Erfahrungen, den Problemen und auch vom Scheitern und den Gefahren seiner Arbeit. Ein ideales Buch für alle, die einmal über ihren "frommen Zaun" schauen möchten. 0 von 0 Kunden fanden die folgende Rezension hilfreich. a not so nice view into the "industry" Von Helmut Resch the book tells the things, you don't see in all the porn-industry-promoting tv-shows, whatever they are named, and where the people "inside" are pictured as living a glamorous, hedonistic life full of cool experiences others would envy them. the truth as depicted in this book is a bit uglier. and tells a bit about the very high price, all those involved into pornography pay. those in front of the cameras as well as the consumers. in some parts a bit too much a collection of episodes for my taste, which lacks of a continuous argumentation. as a first insight highly recommendable das buch erzählt all das, was man in den von tv-shows, die die pornoindustrie promoten (wie auch immer sie jetzt heißen mögen), nicht sieht. und wo die Leute, die "drinnen" sind, als Menschen dargestellt werden, die ein glamouröses, hedonistisches Leben voller toller Erfahrungen führen, um das sie andere beneiden. die Wahrheit, so wie sie im Buch dargestellt wird, ist ein wenig hässlicher. und zeigt ein wenig davon auf, welchen sehr hohen Preis alle, die in Pornografie involviert sind, zahlen. sowohl jene vor der Kamera, als auch die Konsumenten. in einigen Teilen ein bisschen zu sehr eine Episodensammlung, es fehlt der durchgängige argumentative Faden. als Erstinformation aber absolut empfehlenswert.

Kurzbeschreibung Addiction to pornography has exploded to epidemic proportions, infiltrating churches and holding our pastors, friends, and family members prisoner. But no one not even the church is talking about this dangerous and destructive addiction. The Dirty Little Secret follows Pastor Craig Gross as he breaks the silence and begins his ministry XXXchurch.com, a website devoted to fighting pornography. As he meets people in the industry and those addicted to porn, Craig exposes the very real, human face of pornography and the destructive physical, emotional, and spiritual toll it takes. The Dirty Little Secret plainly reveals the addictive lure of pornography, explores the pain and brokenness it causes, and challenges us as individuals and as the church to talk about and openly fight pornography. Don't be tempted to keep this secret any longer. If this book won't make you roll up your sleeves and get your hands dirty, then you need to check your pulse. Skip Mathews, president, Integrity Online Pressestimmen Gross takes the time to tell his story and display the very human face of porn addicts and the stars they idolize. [He] does an excellent job of laying out the growing problems facing our culture without being overly dramatic or needlessly graphic.... [The book] effectively communicates an important message: The suffocating prison of pornography can only be battled by the hard, frustrating work of genuinely loving people. A good tool for those struggling to minister in this area." "Craig Gross takes the time to tell his story and display the very human face of porn addicts and the stars they idolize.
