Von John Densmore : The DOORS: Unhinged (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The DOORS: Unhinged (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 2 Kunden fanden die folgende Rezension hilfreich.
Trauriges EndeVon Fitore.Mich bin erst 24 Jahre alt, aber hre und vor allem liebe ich THE DOORS seit meinem 12 Lebensjahr. Ihre Musik und vor allem Jims Lyrics haben meinen Charakter geformt. Umso trauriger war es fr mich, der Tatsache ins Auge sehen zu mssen, dass die drei Mitglieder John, Ray und Robbie nicht bis an ihr Lebensende "dicke" Freunde sein werden, wie ich es mir gewnscht htte. John Densmores Buch ist meiner Meinung nach eines der

besten und ich kann es nur jedem empfehlen, auch wenn das Resultat daraus traurig macht.

KurzbeschreibungThe subject of the book is the greed gene, and how that part of the human psyche propels us toward the accumulation of more and more wealth, even at the expense of our principles and friendships and the well being of society. A Rock and Roll Hall of Fame band, THE DOORS, fractured because of this. In his book, drummer John Densmore looks at the conflict between him and his band mates as they fought over the right to use The Doors name. At the same time, Densmore examines how this conflict mirrors and reflects a much larger societal issue - that no amount of money seems to be enough for even the wealthiest people.
