A great buy !Von ML MESNARD STEPHANIEThis book is really great because it provides the reader with an extensive view of Dore's work. It displays more than a hundred high quality full-paged engravings for a very low price. I was utterly delighted when I found this book : I am French and though Gustave Dore is a French artist, it is at present impossible to find here such books as the Dore series published by Dover Publishers.1 von 1 Kunden fanden die

Sehr schön anzuschauen, sehr inspirierend, nicht nur für Kunstinteressierte, sondern auch für Tattoo Künstler oder Künstler an sich, die gerne (schwarz-wei) zeichnen. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Schöne Sammlung Von W.K....hatte schon mal eine "Dore-Fibel", die leider verloren gegangen ist. Schönes Bildmaterial aus insgesamt 17 unterschiedlichen Dore-Illustrationen (The Holy Bible, Don Quixote, Paradise Lost, The Wandering Jew u.a.). Die Qualität der Bilder ist nicht so gut (deshalb den Punktabzug). Aber für den Preis kann man wahrscheinlich nicht mehr verlangen. Zum "Durchblättern" und um die Atmosphäre aufzunehmen reicht es.

**Kurzbeschreibung** This superb compilation showcases the art of Gustave Doré, one of the nineteenth century's most prolific and successful book illustrators. Brimming with stunning images created to accompany the world's greatest literature, this volume compiles the very finest and most famous plates from Doré's work. Scores of magnificent, finely wrought engravings feature such dramatic and powerful scenes as Don Quixote tilting at windmills, Christ driving the money-changers from the temple, Moses destroying the tablets inscribed with the Ten Commandments, and Charon rowing his ferry to the gates of Hell. Sources include immortal stories ranging from Milton's Paradise Lost and Dante's Divine Comedy to Coleridge's Rime of the Ancient Mariner, Poe's "The Raven," and more than a dozen other books. For graphic artists and designers, this collection will provide an outstanding assortment of royalty-free images. For lovers of art and literature, these inspired plates will provide the definitive imagery of a host of literary classics.
