**Von W.E.B. Griffin, William E. Butterworth : The Double Agents: A Men at War Novel** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Double Agents: A Men at War Novel:

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. W.E.B. Griffin ist immer gutVon Gnter FleischAlle Bcher von W.E.B. Griffin sind sehr spannend geschriebenund man neigt dazu sie zu "fressen", warum sollte dieses anders sein. Einen Nachteil haben die neueren Bcher allerdings, es gibt Sie nicht in Deutsch. Warum wird das nicht gendert.0 von 0 Kunden fanden die folgende Rezension hilfreich. Sehr gutVon B.K.einfach geschrieben und leicht zu verstehen fr alle die englisch nicht verlernen mchten und Erzhlngen ber den 2. WK und die Folgezeit mgen

Kurzbeschreibung W.E.B. Griffins iconoclastic OSS heroes face an historic challenge in the brand-new volume of the New York Times-bestselling series. Critics and fans alike welcomed the return of the shrewd, sharp, rousing (Kirkus s) Men at War series: *The Saboteurs* is good entertainment and the fast-paced and exciting novel Griffins readers have come to expect. This is Griffins 36th novel and his sons first; one wonders how prolific a force Griffin Son will be! (Library Journal) Now, Dick Canidy and colleagues in the Office of Strategic Services face an even greater task to convince Hitler and the Axis powers that the invasion of the European continent will take place anywhere but on the beaches of Nazi-occupied France. Wild Bill Donovan's men have several tactics in mind, but some of the people they must use are not the most reliable, in fact, most likely spying for both sides so the deceptions require layer upon layer of intrigue, and all it will take is one slip to send the whole thing tumbling down like a house of cards. Are the OSS agents up to it? They certainly think so. And then the body is found floating off the coast of Spain. . . . Filled to the brim with action, character, and the deep understanding of the military heart and mind that have made Griffins books so outstanding, *The Double Agents* is irresistible storytelling from a master of the craft. From the Paperback edition. From Publishers Weekly Actors David Niven and Peter Ustinov, along with James Bond creator Ian Fleming, all of whom actually served Britain in WWII, help the heroes of Griffin's Men at War series deceive the Germans in this solid sixth installment (after 2006's *The Saboteurs*) from the bestselling author and his son, Butterworth. In 1943, the OSS's William J. Wild Bill Donovan spearheads a disinformation effort to trick the Nazis into believing that the western Allies won't invade the European continent through Sicily. One of Donovan's most accomplished operatives, USAAF Maj. Richard Canidy, devises a clever scheme (albeit one familiar to readers of Ewen Montagu's *The Man Who Never Was*) to plant phony plans on a corpse, along with love letters drafted by the requisite attractive female spy. Some fans may find the prominent role of the real-life celebrities a distraction, but all will enjoy the suspenseful ride. Copyright Reed Business Information, a division of Reed Elsevier Inc. All rights reserved. From Booklist The Men at War series continues with this typically exciting adventure. The plucky, resourceful agents of the Office of Strategic Services face what could be their toughest assignment: to convince Adolf Hitler that the Allied invasion of Europe will not take place at Normandy. This is the second novel Griffin has cowritten with his son, but it retains all of the veteran author's trademarks: well-researched plot; realistic characters, real and fictional; and snappy dialogue. How Griffin manages to turn out so many novels without resorting to by-the-numbers plotting and cutout characters is a mystery, but as long as he keeps delivering the goods, his legions of fans will be content. Pitt, David
