The best single book on this vital subject.Von hunter_jim@mn14-p01.ssec.honeywell.comAn excellent, practical overview of the spiritual gifts that are available today. He contrasts the nature of the gifts to talents, the fruit of the Spirit, ministries

etc. to put them in the clearest light. This has become our standard text in our course on spiritual gifts in the Twin Cities Bible Institute. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Excellent biblical treatment of Spiritual Gifts. Von James D. Fritz This book is an excellent review of the spiritual gifts, including their origin, purpose, and use in the local church. I appreciate the fact that it is thoroughly biblical and doctrinally sound. It is must reading for anyone who is seriously seeking to understand the nature of spiritual gifts.

Kurzbeschreibung Our churches have hardly begun to tap the potential in the pews. Many Christians have settled for far less than God intends because many have never discovered or developed their spiritual gifts. "An understanding of Ephesians 4:11-16 has changed my entire perspective on my Christian service. I discovered that one of my highest priorities must be equipping the saints for their work of service. Pursuing this objective I have made a second discovery. Exceedingly few believers are conscious of possessing a spiritual gift, and even fewer know what their gift is or what to do about it. My third discovery is that few things can be of greater assistance to a Christian in setting his own priorities or discerning the will of God than knowing his own gift. These are the discoveries that have motivated me to prepare this book," says the author. Included are chapters on: - The Definition of a Gift - The Distribution of the Gifts - A Description of the Gifts - The Distinctions Within the Gifts.
