KurzbeschreibungAn African folktale chronicling the birth of eagles in a chicken yard. Separated from their homeland, unknowing their historical past, and ridiculed for their differences they struggle with their sense of self-identify until they are encouraged and inspired by another eagle. This inspiring story of self-identify and self-discovery provides a strategy to reduce bullying, eliminate disruptive behaviors, and challenge students to affirm their potential and pursue their dreams.KurzbeschreibungAn African folktale chronicling the birth of eagles in a chicken yard.
