**Von William Strunk : The Elements of Style: The Original Edition (Dover Language Guides)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Elements of Style: The Original Edition (Dover Language Guides):

KundenrezensionenHilfreichste Kundenrezensionen2 von 3 Kunden fanden die folgende Rezension hilfreich. A must read for every writerVon Boris BlumbergBeeing a non-native English speaker, I really profited a lot from this small booklet. It might not cover all aspects of how to write good English, but it helps you a lot. Each page is a real value.

KurzbeschreibungThe original edition of the most trusted writer's guide to American English, this is the book that generations of writers have relied upon for timeless advice on grammar, diction, syntax, sentence construction, and other writing essentials. In brief and concise terms, author William Strunk, Jr., identifies the principal requirements of proper American English style and concentrates on the most often violated rules of composition.Originally published in 1918, this authoritative and engagingly written manual retains its immediacy and relevance. Strunk begins with the basic rules of usage, offering accessible explanations of correct punctuation and grammar. His advice on the principles of composition cites concrete examples of how to maintain clarity by eliminating redundancy and unnecessary embellishment. In addition, Strunk provides valuable pointers on avoiding common errors in the usage of words and expressions, and in spelling. The greatest book of its kind, this volume is a must for any student or writer.
