Von The Brothers Grimm : The Elves and the Shoemaker (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Elves and the Shoemaker (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. A Beautiful Book Great Story Von Ein Kunde The illustrations in this book are wonderful. A true artist. Very cleverly hides the elves in each page and its much fun for a 3 year old to find them and the mice and birds too.

Kurzbeschreibung Christmas is widely considered the most wonderful time of the year for many reasons. Christmas tends to invoke thoughts of Santa, egg nog, snow, gifts and much much more. Throughout the years there have been countless Christmas stories that help everyone feel the joy of the holiday season. This version of the Brother Grimms

The Elves and the Shoemaker includes a table of contents and several Christmas related illustrations. Pressestimmen LaMarche creates a set of honey-toned illustrations that make the familiar Grimm tale less an odd encounter with the supernatural than a warm-hearted exchange of gifts. Aside from clothing the elves, he makes no major change to the plot. Finely made shoes that are cobbled mysteriously each night from leather left on his worktable turn a shoemaker's fortunes around: one night, as Christmas approaches, he and his wife hide out, and spy two elves - depicted as merry-eyed, tousled children dressed in rough burlap - creeping through the window to do the deed. At his wife's suggestion, they make tiny new outfits for their benefactors, who delightedly skip about the room and out the door. Set in an old style, very well-kept town with cobbled streets, but bicycles and electricity too, this timeless tale will leave readers suffused with the pleasure of seeing gifts received and appreciated. - Kirkus s, starred review As in his award-winning book "The Rainbabies", LaMarche sets every picture glowing, whether with lamplight, starlight, shafts of morning sunlight or just some inner light that all the characters in this kindest of tales seem to possess. - The Washington Post Kurzbeschreibung Christmas is widely considered the most wonderful time of the year for many reasons. Christmas tends to invoke thoughts of Santa, egg nog, snow, gifts and much much more. Throughout the years there have been countless Christmas stories that help everyone feel the joy of the holiday season. This version of the Brother Grimms The Elves and the Shoemaker includes a table of contents and several Christmas related illustrations.
