Excellent informative study of end time eventsVon Redmond AllinghamAs the author of a similar book ([...]), I have studied and researched much of the same ground as John Price - and come to very similar conclusions, before ever reading John's work.Having now read The End of America - The Role of Islam in the End Times and Biblical Warnings to Flee America I was amazed to find how many similar conclusions John had come to - either 'great minds think alike' or, perhaps, we've been led by the self-same Spirit? I'd like to think the latter!This book covers some different ground from mine - John, being an American, obviously has much more insight into the US legal and political mind than I ever will have. He has also researched more into the Islamic Jihad mindset and uncovered some very interesting facts.It would be surprising if we agreed on every little detail, but I am happy to highly recommend this book as a serious work of study into biblical prophecy and the future of the United States. As I've stated in my own book, I am not totally convinced that the Anti-Christ will be Islamic, though he may well be someone who will make cynical use of Islamic fanaticism to gain power - what better vehicle, indeed?I would also recommend John's venture into fiction with his first of a trilogy, SECOND TERM A Novel of America in the Last Days - looking forward to the sequel. I should point out that I live in Ireland and have absolutely NO connection with John Price - something which I hope to remedy in the near future. {-{1 von 1 Kunden fanden die folgende Rezension hilfreich.
Umdenken ErforderlichVon SarahDie meisten Christen dachten und lehrten, da Rom die Hure Babylon ist. Nach der Lektüre dieses Buches wird man eines Anderen belehrt. Für fragende und interessierte Menschen, ganz besonders für Christen, ein "Mu" zum Lesen.

KurzbeschreibungWhat is happening to the America we knew? Does the Bible provide insight into our nations growing disintegration and give us clues to the future of the US? The newly re-written 2016 Edition of THE END OF AMERICA is now available in softback or Kindle version. The book details thirty prophetic mystery clues identifying a rich, powerful and influential end times nation which will betray Israel and is therefore destroyed in one day/hour/moment. Radical Jihadists plans to conquer the world for Allah by bringing Death to America are analyzed, comparing Muslim prophecies to Biblical end days verses.Prophecies warning Gods people to flee from this mystery nation are studied in depth. WHEN should one flee? WHERE should Gods people flee? THE END OF AMERICA lists nations which may be safe in the latter days, as Jihadists exert political and religious control across the globe. Also included are major world events which Gods people should watch for, as Jesus advised.If you know in your spirit that America is in trouble, that what is unfolding before our very eyes proves that we are in the last days, this book will provide answers from Gods Word. Available in the new 2016 Edition on Kindle for 99 cents so that every Christian and Jewish American can read and heed Gods warnings. KurzbeschreibungWhat is happening to the America we knew?
