**Von Neil Jefferyes : The Everyday Use of the Lord's Prayer (English Edition)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Everyday Use of the Lord's Prayer (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. A useful little book to facilitate prayer Von Helen Hancox This book is a lot better than it looks at first glance. The cover artwork is very unattractive, the font used is the PC Comic Sans which looks cheap, the cover is thin and my copy had something very sticky on it - not very encouraging. However, when I got past all this and actually read the book I

found it a very useful and helpful little handbook. It focuses on the Lord's Prayer, discussing the different parts of the Prayer and how we can use them to shape our prayer life. I found it easy to read and it gave me some things to think about. The book also contains a set of readings and prayers and hymns to use for times of prayer and reflection and these were well-chosen and helpful. Overall this was a much better book than I had expected and would be very useful for quiet prayer times for new Christians or for those who wish to inject a little more life into their prayers.

Kurzbeschreibung The Lord's Prayer is the best known prayer of all time, but its very familiarity may be its downfall. It is normally used as a prayer, but Jesus clearly meant it to be as much a pattern to follow, as a prayer to say. Although there are 9 or so phrases, there are just three main sections - Praise, Prayer and Penitence. Used as a pattern, the Lord's Prayer becomes a liberating and profound way to develop our own prayer life. This ebook looks briefly at how Jesus sees Praise, Prayer and Penitence but mainly seeks to provide ideas and resources for each person to develop their own way of using His pattern. It is easy to attach 'notes' in a ebook which makes this a 'must have' title for a Kinder Reader for the busy person who wants to use those quiet moments that occasionally happen, as moments of prayer and encounter with God.
