My little sister adores the books so much that she even developed the perfect voices for each character by reading them out loud to me (which is her delight even now that she is 16). PLEASE DO BUY THIS BOOK AND READ IT TO YOUR CHILDREN! It includes so many brilliant descriptions of a slightly chaotic family's life that any kid will definitely enjoy it. If finished with these three, also try McKay's "Dog Friday" and "Amber Cat" which are equally funny and full of unbelievable ideas.0 von 0 Kunden fanden die folgende Rezension hilfreich. Kurzbeschreibung The second novel in the much-loved Exiles series and winner of the Smarties Prize. When Ruth Conroy decides to sponsor a child in Africa, she is unprepared for the difficulties involved in finding 10 a month. So she enlists the help of her sisters - Phoebe, Naomi and Rachel - who are only too eager to dream up hare-brained fundraising schemes . . . Undisciplined baby-sitters, unhygienic caterers or fraudulent pavement artists, their hilarious projects never fail to cause chaos and mayhem. Pressestimmen McKay has created a boisterous, chaotic family which always makes me want to rush out and adopt three sisters. (TES) PRAISE FOR THE CASSON FAMILY BOOKS: 'Hilary McKay's wittily observed portrayals of family life are full of warmth, vitality and irrepressible good humour.' (Kate Agnew, The Guardian) McKay has a genius for domestic comedy. (The Sunday Times) Hilary McKay's strength lies in her understanding of young people and her ability to evoke them very simply. (The Guardian) Werbetext Earning money to sponsor a child in Africa has never been so difficult, or more hilarious, as the four Conroy sisters discover! The second novel in the much-loved Exiles series and winner of the Smarties Prize.
