**Von Willie Nelson : The Facts of Life: and Other Dirty Jokes** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Facts of Life: and Other Dirty Jokes:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Willie at his best.Von annemarie glckEin gut gelungenes Buch.Willie schreibt Tagebuchhlich Anekdotenvon seinem Leben On the Road, und wenn ihm geradeein Witz einfllt,dann erzht er ihn gleich.Teilweise sind die Harmlos, aber auch

gepfefferte Viele Liedertexte sind auch enthalten, also es ist für jeden etwas dabei. Das Buch lässt sich zügig lesen, auch wenn man nicht so gut Englisch kann. Alles in allem ist das Buch sehr unterhaltsam und man kann sehr viel lachen. Super! 0 von 0 Kunden fanden die folgende Rezension hilfreich. Ein Buch mit Songtexten, Bildern und vielem mehr. Von Begeisterte Leserin Willie Nelson lässt uns auch in diesem Buch an seiner Gedankenwelt teilhaben. Das Buch enthält einige kürzere tagebuchartige Texte von Willie über sein Leben in Abott, seinen ersten Freund etc. Daneben enthält das Buch sehr viele seiner Songtexte und einen Anhang mit sehr vielen Fotos von Willie Nelson, seiner Familie und seinen Freunden. Ein schnelles Buch, das einem Freude bereitet, wenn man Willie Nelson liebt.

**Kurzbeschreibung** If you had to give America a voice, it's been said more than once, that voice would be Willie Nelson's. For more than fifty years, he's taken the stuff of his life—the good and the bad—and made from it a body of work that has become a permanent part of our musical heritage and kept us company through the good and the bad of our own lives. Long before he became famous as a performer, Willie Nelson was known as a songwriter, keeping his young family afloat by writing songs—like Crazy—that other people turned into hits. So it's fitting, and cause for celebration, that he has finally set down in his own words, a book that does justice to his great gifts as a storyteller. In *The Facts of Life*, Willie Nelson reflects on what has mattered to him in life and what hasn't. He also tells some great dirty jokes. The result is a book as wise and hilarious as its author. It's not meant to be taken seriously as an instruction manual for living—but you could do a lot worse. From the Hardcover edition. From Booklist "Shotgun Willie sits around in his underwear," one of country songster Nelson's ditties begins, and the line evokes the feel of this loose little book to a T. Nelson wrote the prose in it while his bus carted him and his band and crew from coast to coast on a performance tour. Said prose consists of minuscule memoirs; cracker-barrel philosophizing; a bit of stem-winding for small farmers (Nelson is a stalwart of the Farm Aid concerts); and lots of jokes, usually dirty, as promised, and also stunningly politically incorrect, which means they are often pretty funny. But if the book consisted solely of Nelson's journaling, it would be, oh, 200 pages shorter, maybe more. Photos depicting Nelson's long passage from Texas toddler to the long-haired, pot-puffing, jogging old Nashville outlaw he is today and lots of lyrics from his 50-year stash of songs fill out the volume. For anyone who loves Nelson's act, there's nothing not to love about this hayseed-speckled gossamer of a book. Ray Olson Copyright American Library Association.
