KurzbeschreibungThe Faith Explained is an all-in-one handbook to help you understand, explain, and defend the great truths of the Catholic Faith. In brief and readable chapters, it explains the purpose of human existence, God and His perfections, the creation and fall of man, the Incarnation, the redemption, the sacraments, sacramentals, prayer, the importance of the Bible, and much more. Perfect for RCIA classes, this book is also a magnificent refresher course on the Faith for Catholics and an illuminating resource for non-Catholics with questions about the Church.
