The author gives historic background, how they relate to Yeshua, how they are related to parts of the tabernacle, and how they are important to the believer. If you truly want to learn more

this is the book you need.

Kurzbeschreibung What can we expect after we have experienced Pentecost? Toward what, precisely, do we press after Pentecost, after we receive the baptism with the Holy Spirit? The Jews under Moses were given seven holy convocations to observe annually. Do you know what they were? Do you know how they apply to our Christian walk? Pentecost (the feast of Weeks) was the fourth observance. Have you been as far as Pentecost? There were three feasts after Pentecost revealing that the Lord has more for us. Christ does not want us to stop at Pentecost. The Feasts of the Lord explains the plan of redemption so we may move with the Holy Spirit to the rest of God, to the feast of Tabernacles, to the fullness of the salvation that is in Christ. And the Lord spake unto me, saying, Ye have compassed this mountain long enough: turn you northward. (Deuteronomy 2:2,3) There remaineth therefore a rest to the people of God. (Hebrews 4:9)
