**Von Kerry Fraser : The Final Call: Hockey Stories from a Legend in Stripes** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Final Call: Hockey Stories from a Legend in Stripes:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Mit Herz dabeiVon Fernand WelschbilligKerry Fraser schreibt seine Memoiren als Rekordschiedsrichter der NHL. Er legt leider ein bisschen viel Wert auf alle Leute, die ihn verabschiedet haben. Das interessiert den Leser doch weniger als seine Anekdoten aus all den Jahren. Fr alle Eishockeyfreunde jedoch sehr interessant und lehrreich, vielleicht sogar ein

Muss.0 von 0 Kunden fanden die folgende Rezension hilfreich. One of the best Zebra the Game ever had Von asmoKerry was quite the ref. Here you can read his side of the Stories.If you are a hockey fan - it's definitely worth the read!

KurzbeschreibungAfter almost two thousand games and thirty years of wearing the Stripes, legendary NHL official Fraser dropped his final puck at the end of the 2009/2010 season and relives his colourful career officiating hockey in his candid book.After thirty years in the NHL, legendary referee Kerry Fraser has decided to hang up his skates and enjoy the game from the other side of the boards. Never shy about offering his opinion, nor afraid to step in and separate an on-ice fight, the diminutive Fraser is without question one of the most respected officials in today's NHL. Fraser entered officiating after recognizing that his size would limit his chances as a player. Over the course of the almost two thousand NHL contests, he has shown himself to be an exemplary referee. In *The Final Call*, Fraser uses the seventy two games he is officiating in his farewell season as the centre piece of his story. He relives candid memories from each city he visits, such as the night he was pulled from the ice by the Boston police after a threat was made that if he skated out for the second period he would be shot. Fraser offers a colourful, behind-the-scenes portrait of our national game, recounting stories of pulling apart enraged 250-lb men in on-ice battles and divulging the politics behind which games are assigned to which refs. Although a referee's job and story may not appear as glamorous as that of a superstar player, it is every bit as entertaining!From the Trade Paperback edition.Pressestimmen"Kerry brought tremendous enthusiasm and energy every time he officiated. I was a younger player at the end of Kerry's officiating career but it was very clear to see his passion for what he did and for wanting to be the best he could be every time he took the ice. He always took the time to explain things when it was needed and remained professional at some of the most intense moments. He was fair and accountable, which is all you could ask for from any official, and of course he never had a hair out of place."--Sidney Crosby "I always felt Kerry understood the psychology of hockey, and was always aware of the intimidation factor that was being presented by the teams or certain players. Kerry had the ability to maintain complete control of the game. I really believe he wanted the players themselves to play the game the way it was meant to be played. With courage, honour, and respect."--Mark Messier "I always felt comfortable when Kerry Fraser was refereeing a game. He waKurzbeschreibungAfter almost two thousand games and thirty years of wearing the Stripes, legendary NHL official Fraser dropped his final puck at the end of the 2009/2010 season and relives his colourful career officiating hockey in his candid book.After thirty years in the NHL, legendary referee Kerry Fraser has decided to hang up his skates and enjoy the game from the other side of the boards.
