**Von Judy Sierra : The Flannel Board Storytelling Book (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Flannel Board Storytelling Book (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Everything you need to know to tell flannel board stories.Von Ein KundeI train childcare teachers and use this book when teaching how to tell flannel board stories. The author gives guidelines for using the flannel board story with different age groups. A total of 50+ stories, poems, and songs are included, some appropriate for the younger child, some for ages five and older. The selection is varied, including familiar stories such as "Three Billy Goats Gruff" and "The Three Pigs". Also included are folktales which are less familiar but equally wonderful. For each story, the author shares special directions for using the flannel board characters and how to include the children in the telling of that story. For me, a special feature of this book are the patterns for the characters--they are large, clear, and easy to

duplicate.

KurzbeschreibungThe classic storytelling collection by Judy Sierra of 50 stories, poems, and songs for the flannel board. Includes patterns for figures (patterns can also be downloaded in PDF format from the author's web site).
