A Stirring Reminder and Whimsical Journey Von Ein Kunde The narration by Glen Yarbrough is superb, and is reminiscent of childhood storytelling, yet in an adult manner. The book tells the story of a modern-day woman, and will strike home with many listeners. There are original songs mixed in that, during the first listening, you will enjoy, but by the 3rd or 4th your heart will be singing along. A great story to hear while you sit in front of the fireplace and sip wine or hot spiced cider with your family on Christmas Eve! 1 von 1 Kunden fanden die folgende Rezension hilfreich. You'll Never Forget the Forgotten Carols! Von Jeff Novak I rarely have found a book and music with such a touching message as The Forgotten Carols. Anyone professing to believe in Christ or Christmas needs to read the message and feel the spirit this classic provides. 0 von 0 Kunden fanden die folgende Rezension hilfreich. It was an

unusual combination of story and music. Excellent! Von Ein Kunde Please - if there is anyone out there who knows if Mr. McLean's music for this book is in print, let me know. Email at : bkc@newnorth.net The music is some of the best I have ever heard with mind-boggling words. It is a must for any family who wants to 'think' about the meaning of Christmas.

Kurzbeschreibung Michael McLean's touching Christmas tale has become a timeless classic. It tells the story of a nurse whose empty life is changed by her patient, John, who expands her understanding of Christmas. The Forgotten Carols are original songs from the perspective of characters such as the innkeeper who turned the young couple away or the shepherd who slept through the angel's announcement. Their personal accounts, until now, have been overlooked or ignored. Together, John and Constance discover what the world has forgotten about
