Courtesy of Teens Read TooVon TeensReadTooChristopher "Kip" Campbell is the funeral director's son. The Campbell family lives in the small town of Clover and everyone knows Campbell and Sons Funeral Home. Everyone in the family has their job to do and the family business has been passed down from generation to generation, Christopher to Christopher.Kip doesn't want to be a funeral director. He wants to get away from his small town. No one thinks it's

cool to live in a funeral home -- and it's certainly not very cool to have a funeral director as your dad. But Kip has a gift in the funeral business; he can hear what the deceased need help with in order to move on. When mean old Billy Blye passes away, Kip hears that helping Billy move on will be worth his weight in gold. That would be enough to help out his family's business and for him to quit. He has no choice but to find out what is holding Billy back. Author Coleen Murtagh Paratore, author of *THE WEDDING PLANNER'S DAUGHTER*, is back with the start of a new series. *THE FUNERAL DIRECTOR'S SON* has Ms. Paratore's trademark warmth and charm, but this time she takes on a boy's mindset. She also mixes in a bit of mystery. Kip is surrounded by a well-written cast of supporting characters that could easily star in their own novel. Nanbull, Kip's Grandmother, is full of spunk and sass, whereas Kip's friends are supportive and capture the voices of twelve-year-old boys. Ms. Paratore knows how to mix the feel of a classic with a modern story in a way that makes me wish her stories never ended. A great read for all ages and another winner from one of my favorite authors! Reviewed by: Sarah Bean the Green Bean Teen Queen

Kurzbeschreibung This family business is for life... In the small town of Clover, when you die, you are put to rest by Campbell and Sons Funeral Home. Unfortunately twelve-year-old Kip Campbell happens to be the only "son" in that title. And that's a problem for him since the funeral home business is the last thing he wants to inherit, even if he has a "gift" for it. See, it just so happens that Kip can talk to the dead. Well, they talk to him, really. They tell him what they need in order to move on to the great beyond. Kip wants to move too. Straight out of Clover. He's about to give notice -- he's done helping the dead -- when he's offered a surprising deal: Find out the secret that is holding back old Billy Blye, and Kip will receive his weight in gold. That would be enough to take him far away from Clover, and Campbell and Sons Funeral Home. Kurzbeschreibung This family business is for life...
