Von Ron Jaworski, David Plaut, Greg Cosell : The Games That Changed the Game: The Evolution of the NFL in Seven Sundays before purchasing it in order to gage whether or not it would be worth my time, and all praised The Games That Changed the Game: The Evolution of the NFL in Seven Sundays:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. thats footballVon Tobias Oberzellermit ron jaworski schreibt ein altgedienter nfl insider gut ber die vernderungen und die

entwicklungen bzw. deren hintergrnde in der nfl - betrifft nicht college oder den rest der welt aber spannend und gut zu lesen

Kurzbeschreibung Professional football in the last half century has been a sport marked by relentless innovation. For fans determined to keep up with the changes that have transformed the game, close examination of the coaching footage is a must. In *The Games That Changed the Game*, Ron Jaworski breaks down the film from seven of the most momentous contests of the last fifty years, giving readers a drive-by-drive, play-by-play guide to the evolutionary leaps that define the modern NFL. From Sid Gillman's development of the Vertical Stretch, which launched the era of wide-open passing offenses, to Bill Belichick's daring defensive game plan in Super Bowl XXXVI, which enabled his outgunned squad to upset the heavily favored St. Louis Rams and usher in the New England Patriots dynasty, the most cutting-edge concepts come alive again through the recollections of nearly seventy coaches and players. You'll never watch NFL football the same way again. *Pressestimmen* [A] must-read book. *The Boston Globe* If you want to understand the strategic and cerebral part of this very physical sport, this most fascinating football book of the season is for you. *Library Journal* (starred review) Even the die-hard Sunday fans will learn a lot from this book, and rookies will come away with a greater appreciation and understanding of the game. *Houston Chronicle* Intelligent, detailed, and enthusiastic. *Milwaukee Journal Sentinel* One of the best of the season . . . Football wonks are going to love this book. *The Star-Ledger* Kurzbeschreibung Professional football in the last half century has been a sport marked by relentless innovation.
