KurzbeschreibungNot since Screwtape Letters has there been such a devastatingly diabolical collection of correspondence. Master Tempter Slubgrip writes daily to trainee devil Dogwart--advising him on the temptation of a confused young Catholic, while he struggles to control his own patient--an older Catholic man who is facing a serious illness.Meanwhile Slubgrip has to watch his back, keep control of various under devils who are plotting to take control of his territory and send him to the banqueting house of the Father below.Gargoyle Code makes for un-put-downable reading at any time, but it is especially designed as a book to be read during Lent. The letters from the tempters begin on Shrove Tuesday and follow day by day, taking the reader on an entertaining, enlightening and sobering journey toward Easter Day.KurzbeschreibungNot since Screwtape Letters has there been such a devastatingly diabolical collection of correspondence.
