Von Adi Da Samraj : The Gift of Truth Itself: The Ever-Living Means Whereby Everyone Can Realize Truth, or Perfect Happiness (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Gift of Truth Itself: The Ever-Living Means Whereby Everyone Can Realize Truth, or Perfect Happiness (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen

KurzbeschreibungThis slim volume speaks directly to everyone's innate heart-intuition of truth and reality: offering a penetrating analysis of human suffering and the liberating expression of the process of utter freedom and happiness. Drawn from Avatar Adi Da's final masterwork, The Aletheon, the selections in this book are a wonderful introduction to Adi Da's revelation-word.
