Von O. T. Nelson : The Girl Who Owned a City before purchasing it in order to gage whether or not it would be worth my time, and all praised The Girl Who Owned a City:

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. The Girl Who Owned the City was a very suspensful bookVon Ein KundeThis book was a wonderful book and I read it in one day. I picked it for a school project and it was just magnificent. I loved the part where Lisa got shot and Jill took the bullet out and stitched her up. I believe what Tom Logan did at the end, just giving Glenbard right to Lisa was a very

brave thing to do. I was wondering, did Lisa and Glenbard ever have to fight the king of Chicago and his 2,000 men army? If she did, did she win or did she get defeated? This book is wonderful and I hope other people read it. I rate this an infinity star.0 von 0 Kunden fanden die folgende Rezension hilfreich. ExhilaratingVon Ein KundeThis is a book unlike any other I've ever read. In it, a pandemic killed all adults and teenagers on earth, leaving preteens and younger children to fend for themselves. The world was thrown into chaos. One town in America was in the same predicament, until a ten-year-old girl named Lisa became its leader. She created a fortress for the denizens of her city to live in and had to defend it from an enemy attack. Will the city be saved? Is Lisa's learning that the civilization partly belongs to all the children and not just her the key? But you'll have to read it to find out.I mostly enjoyed this book. It has a unique plot. It was intriguing to read about how Lisa rose to power and began to restore order. However, there were some elements I didn't like. For instance, the heavy-handed stories Lisa made up. The author could've communicated his message without so many of those. Since I happen to be a teenager, I was sad that no adolescents survived the plague.Trivia: Did anyone else notice that Lisa's family had the same last name as the author's?

KurzbeschreibungA deadly plague has devastated Earth, killing all the adults. Lisa and her younger brother Todd are struggling to stay alive in a world where no one is safe. Other children along Grand Avenue need help as well. They band together to find food, shelter, and protection from dangerous gangs invading their neighborhood. When Tom Logan and his army start making threats, Lisa comes up with a plan and leads her group to a safer place. But how far is she willing to go to protect what's hers?KurzbeschreibungA deadly plague has devastated Earth, killing all the adults. Lisa and her younger brother Todd are struggling to stay alive in a world where no one is safe. Other children along Grand Avenue need help as well. They band together to find food, shelter, and protection from dangerous gangs invading their neighborhood. When Tom Logan and his army start making threats, Lisa comes up with a plan and leads her group to a safer place. But how far is she willing to go to protect what's hers?Synopsis When a plague sweeps over the earth killing everyone except children under twelve, ten-year-old Lisa organizes a group to rebuild a new way of life.
