Perfect!!Von Ein KundeI dont know what to say it was great. I just finshed reading it so its still fresh in my mind. The one thing I can say is Naylor better make another!! If you raed the frist three books you must read this one. The whole book is great but what i reall want to read is one where the Benson's move back but the Mollys find a house in that same place that would be great. Like I said this is a must read!!0 von 0 Kunden fanden die folgende Rezension

hilfreich. Excellent reading
Von Ein Kunde
The Girls' Revenge is a really good book. I like the way Phyllis Reynolds Naylor can continue this series to the fourth book without having the excitement or comedy drag. I especially liked the fact that Peter keeps going over to the enemy camp, much to his brothers' anger and embarrassment. I would recommend this book to any Phyllis Reynolds Naylor fan.

Fast paced, exciting, very, very enjoyable!
Von Ein Kunde
Having read the other three books in this series I was delighted to find this installment. Naylor's plot twists are unpredictable, yet believable. Her hints about an upcoming relationship between Beth and Josh will draw mixed reactions from readers, but all will eagerly read on to find out what will develop. Funny, fun, fabulous reading!

Kurzbeschreibung
This fourth book about the Hatford brothers and the Malloy sisters begins shortly before Christmas, three months after the Malloys move to Buckman, WV. As the holiday season approaches, the boys and girls continue to play pranks on one another and begin to learn the consequences of their actions. Caroline Malloy and Wally Hatford are partners for their fourth-grade December project and discover that, instead of annoying one another, they need to learn how to work together in order to receive a passing grade. Told in their alternating viewpoints, the story moves quickly, continuing the mischief and humor of the previous novels. Readers will be especially taken with precocious and dramatic Caroline, who will stop at nothing for revenge. While it is not necessary to read the first three books, fans of the series will enjoy references to the characters' past pranks and will delight in the promise of future additions to this ongoing battle between these rivals.
From the Trade Paperback edition.
From Booklist
Gr. 3[^]-5. The Hatford boys and the Malloy girls are at it again in Naylor's latest installment of this ongoing feud, which began in *The Boys Start the War* (1993) and continued in *The Girls Get Even* (1993) and *Boys against Girls* (1994). It's December, and eight-year-old Caroline chooses Wally to be her partner in the December project, an interview and presentation assignment. But Caroline's plan to be Wally for a day goes terribly wrong, and now she and Wally are both afraid of flunking fourth grade. To make matters worse, the disgusting but beautifully wrapped presents they gave each other end up in the wrong hands. But even the worst situation can provide insight, and the girls and boys begin grudgingly to accept one another. Introduce middle readers to all the books so that they can enjoy the feud in its entirety. Karen Hutt
