Von Gerry Faust, Steve Love : The Golden Dream before purchasing it in order to gage whether or not it would be worth my time, and all praised The Golden Dream:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. It represents what's good in sports todayVon Ein KundeGerry Faust represents what is good in sports today. No he did not have great teams at Notre Dame but he is a true role-model for both coaches and athletes. The good natured stories

kept you from putting the book down. He truly cares about people. That is what I loved about the book. If more coaches had this approach we would not have cheating, scandals, and a me approach. The book gives the reader confidence that there are good people, not only in sports, but in the world today. You do not have to be into sports in order to appreciate this book. I recommend it to all people of all ages. It will make you feel good!

Kurzbeschreibung Gerry Faust won more hearts than games. He came to Notre Dame as the high school coach from Cincinnati's Moeller High School, such a perfect fit for Notre Dame that it seemed almost too good to be true. It was. Faust admits his mistakes, which include the manner in which he put together his first coaching staff, changing Notre Dame's offense, even feeling sorry for himself. He explains how he could beat Southern Cal, but not Air Force and Purdue. An optimist to the end, Faust took on, if anything, an even greater challenge when he left Notre Dame. He became coach at the University of Akron, a program where, unlike at Notre Dame, not everyone wanted him to succeed.
