**Von John Guy : The Golden Tide (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Golden Tide (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. well written Shipping related novelVon cvoThe novel is great to read, definitely a page-turner. What makes the book so fascinating is the sound insight it provides not only into life at sea and international shipping but also addressing the unethical political behaviour of certain groups of society. A real life story full of inconveniient truths which may

happen anywhere. Highly recommendable book.
