Von Eric Powell : The Goon: Rough Stuff (The Goon TPB series) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Goon: Rough Stuff (The Goon TPB series):

Kurzbeschreibung After an assault by a mysterious and monstrous milkman, a typical American housewife has finally had too much of her hideous, deranged family, and she takes a simple word of advice from her idol, the perfect 1950s mom on her television screen "Discipline." From the minds of Joe Casey and Steve Parkhouse comes the most shocking of all Dark Horses new brand of horror comics. The unraveling of our forlorn homemakers hopes leads to unprecedented terror, heralded by a demonic vision The Milkman, a twisted parody of a Norman Rockwell image as painted by serial-killing folk-artist John Wayne Gacy.

Synopsis "Dark Horse Comics" brings you the origin of Eric Powell's "The Goon", the earliest stories published for the first time. The Zombie Priest has just set up shop on Lonely Street and intends to build an undead army, and the Goon's the only man who can stop him. His early battles with the undead are mixed with stories of the Goon's youth, as we meet his circus-freak family and learn how he came to be the head of a notorious crime family. Also included in this volume is a look at the creation of the Goon and his world with a special "Evolution of The Goon" sketchbook section.
