Very nice bookVon PeterI've found this book not manipulative, but very honest and focussing on what evangelism really is about. We can often think we evangelize, while we actually are not. Also, the excuses for not evangelising are mentioned and openly, honestly questioned. It's a warm convicting book, I would recommend. This book spoke mainly to my heart and not mainly to my mind.

KurzbeschreibungEvangelism is not only misunderstood, it is often unpracticed. Many Christians want to share the gospel with others, but because those Christians don't grasp the fundamentals of witnessing, they feel intimidated and incapable of sharing the truth of the gospel. Yet those believers fail to recognize that God has already established who and how we are to evangelize. In *The Gospel and Personal Evangelism*, Dr. Mark Dever seeks to answer the four basic questions about evangelism that many Christians ask: Who should we evangelize? How should we evangelize? What is evangelism? Why should we evangelize? In his answers Dever draws on New Testament truths and helps believers apply those truths in practical ways. As readers understand the fundamentals of evangelism, they will begin to develop a culture of evangelism in their lives and their local churches.
