whole of the Gospel summed up in one, easy-to-read book!

Von Ein Kunde It took me several years to finally grasp the concept of grace. Several men's retreats and a couple of books later, I think I finally got it! Thanks, in part, to Chuck Swindoll's "Grace Awakening." This book is a precious jewel. I would recommend it to everyone who is searching for purpose in life and even to those who think they've found it. It is a "must read" for anyone who claims to be a Christian. Swindoll builds a solid foundation for the Christian faith and the cornerstone is the grace of God, displayed to humankind through His Son, Jesus. If people could just begin to understand the simplicity of the gospel, they would jump for joy and tell everyone they know about how liberating it is. That's the message of this book. Swindoll attempts to convey the gospel's simplicity. He issues a call for all people to be awakened to this simple truth. That is, we are all sinners in need of a gracious and loving God. That kind of God is the One written about in the Bible. He is forgiving and desires to show us His mercy. In fact, He already has by sacrificing His own Son. Beyond that One sacrificial act, by a holy and just God, there is absolutely NOTHING we can do, but to accept His gracious offer! It's really that simple. What a liberating truth to finally have a firm hold of! I encourage you to purchase this book and to search the Scriptures, to see for yourself. My hope is that you will find freedom, just as I have, through the liberating truth of this simplistic message. Furthermore, I recommend a second book as a follow-up: "In the Grip of Grace" by Max Lucado. Happy reading!

Von Ein Kunde Yes. It's true! A good friend of my family gave us this book and by the time I went thru the first chapter, I was in tears and saw a light I had missed and nearly forgot in my yrs as a Christian and pastor (besides having gone thru a long wilderness). My current pastor's birthday came up and even tho I had not finished the second chapter, I decided to either buy one for him or give this one away! I gave it away as the bookstores had sold out! I do not know whether he has read it yet as his messages did not show it. Still, I am hoping... Wonderfully, our friend lent her copy to us and now I can continue reading. I have preached and taught grace and works and all that for so long I forgot what it really meant to ME! (It can happen!) So, altho I knew what Swindoll would basically be writing, his experience and authority as a seasoned man of God in our generation sealed the truth of grace into my heart like few others could. From that day, I have been having a wonderful time just LIVING for Him!!!! Praise the Lord!! Thank u Mr. Swindoll for teaching this truth with boldness and with all grace! May the Lord continue to see u thru till the end of time!!

Von Ein Kunde I'll keep this very short. I had never written to the author of a book before but felt compelled to do so after reading this book. More than ANY book I had ever read, this book made a real change in my attitude and outlook toward life and my concept of who and what God is. I had gone to church most of my life and was very involved with all the busyness of church life and definitely knew I was a believer but during a time when I was questioning a lot of things this book fell into my hands. I read it practically without putting it down and wrote to Charles Swindoll to thank him for giving me first real glimmer of spiritual hope I'd had for many many years. I still have the book and keep my letter to Charles Swindoll and his reply to me inside it. I loan it to others from time to time when I see that same look of bewilderment on their faces that I felt in my heart after many years of trying so hard for I knew not what. READ THIS BOOK! I promise you'll never be the same again. It's just impossible.

Kurzbeschreibung The Grace Awakening calls all Christians to wake up and reject living in such legalistic, performance-oriented bondage. The God of the universe has given us an amazing, revolutionary gift of grace and freedom. This freedom and grace set us apart from every other "religion" on the face of the earth. In this best-selling classic, Charles Swindoll urges you not to miss living a grace-filled life. Freedom and joy-not lists and demands and duties-await all who believe in the Lord Jesus Christ.
