Must read !Von Ein KundeI read this book a few years ago and til today I still remember the impact that it made in my life. I recommended it to 2 other friends then and we all felt that this is a good book to read. And I am still looking around to buy more copies of it to share with my other friends now !Sometimes we may not even be aware that we have landed ourselves into compromising situations and this book brings up these examples that you would be familiar with and how to deal with it when you are placed in the same compromising position. If you can identify yourself being caught in compromising situations, then perhaps this book can help provide you with the insights from the way the bible will teach us to handle it.

KurzbeschreibungThe Great CompromiseHave your cake and eat it too.A foot in church and a foot in the world.Find a way to have it all.These are just a few of the countless strong messages flashed before Christians daily. We want to live effective Christian lives-yet the lure of life on the edge is still there. Temptation. Idolatry. Immorality. Adultery. Our minds are repeatedly assaulted with hundreds of ways to take a little off here, a little off there... until biblical truth and values are completely eroded. With each small step, each subtle compromise, we're drawn further from Christ and closer to the abyss of spiritual failure. There is that last little push-that one last compromise- The Great Compromise...the one we can't pull out of.Is there hope? Is there help? Greg Laurie says, "Yes!" In The Great Compromise, he exposes Satan's favorite ploys to pull Christians away from their faith and explains how each of us can take measures to avoid common pitfalls. This encouraging message for today also offers a way back for those who have found themselves ensnared. "Once you understand how compromise works," says the author, "it will change your spiritual life!"Greg Laurie is the senior pastor of Harvest Christian Fellowship in Riverside, California, and the featured evangelist for Harvest Crusades, a contemporary outreach that has touched over one million lives. He is a member of the Board of Directors for both the Billy Graham Evangelistic Association and Samaritan's Purse.KurzbeschreibungThe Great CompromiseHave your cake and eat it too.A foot in church and a foot in the world.Find a way to have it all.These are just a few of the countless strong messages flashed before Christians daily.
