seinen persönlichen Erinnerungen teilhaben. Wundervolle Beschreibungen, zusammen mit der Geschichte, der Mythologie und der Natur dieser Inseln machen uns fast wehmütig auf die vergangenen Zeiten. Bei jedem Griechenlandbesuch suche ich nach den Spuren des Landes zu Durrell's Zeiten.

Kurzbeschreibung As every reader of Durrell knows, his writing is steeped in the living experience of the Mediterranean, and especially the islands of Greece. This captivating and highly unusual text, originally conceived as a picture book and now reset in paperback format, weaves together evocative descriptions, history and myth with Durrell's personal reminiscences. No traveller to Greece or admirer of the genius of Durrell should miss it.
