Von Charles Godfrey, 1824-1903 Leland : The Gypsies before purchasing it in order to gage whether or not it would be worth my time, and all praised The Gypsies:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. the lonely serious book about gypsies/romany/romaVon Daniil HarmzzaA very good book, very different from all other recent books with the same subject following geo-political interrests. This one shows that the name

"tigan"/Zigeuner/cingan comes from "chengkhan" and that it is a self denomination not an exonym.
