Von Ted Simon : The Gypsy in Me: From Germany to Romania in Search of Youth, Truth and Dad (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Gypsy in Me: From Germany to Romania in Search of Youth, Truth and Dad (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. One of the best travel books...Von Ein KundeI have read quite a few travel books, and this one is one of the best, by far. When you try to describe to someone a chapter you have just read, you realize that there is not much action to convey, but what he does leave you with is an amazing insight into his and other peoples emotions.This book reminds me of sitting around and listening to a favorite uncle tell tales of yesteryear. The images are first rate and the storyteller makes it very obvious he was often touched in ways that is almost beyond description. I highly recommend this book.0 von 0 Kunden fanden die folgende Rezension hilfreich. This is the honest and luminous prose of a natural writer.Von Ein KundeI love Ted Simon's writing for his honesty, integrity, his luminous descriptions of people and places, his empathy, revealing of his inner thoughts and his philosophy of life. He makes you wish you were half as good. I'd walk to the Arctic Circle with him tomorrow. Eagerly awaiting more.

KurzbeschreibungThe author of Jupiter's Travels details his 1,500-mile journey, mostly on foot, through Germany, Poland, Russia, the Ukraine, and Romania, offering a personal look at Eastern Europe in the throes of change and the war in Bosnia, from the German homeland of his mother to the birthplace of his Romanian-Jewish father..deHis mother was German and the father he didn't know was a Romanian Jew. And at the age of 50, shortly after his mother's death and long after his absent father's, Ted Simon embarks on a 1,500-mile journey (mostly by foot), covering the lands between his mother's Germany and his father's Romania, discovering as much about his paternal ambivalence as he does about the cultures and realities of Eastern Europe. The book is a fine example of the travelogue, with humor, evocative description, and a poignant inner journey as interesting and well-explored as his Romanian-bound route.KurzbeschreibungThe author of Jupiter's Travels details his 1,500-mile journey, mostly on foot, through Germany, Poland, Russia, the Ukraine, and Romania, offering a personal look at Eastern Europe in the throes of change and the war in Bosnia, from the German homeland of his mother to the birthplace of his Romanian-Jewish father.
