Excellent book on prophecyVon Ein KundeI totally enjoyed this book. Daniel is one of the hardest scriptures to read in the Bible, yet Jeremiah makes the character so much easier to understand. He has a great syle of writing. Daniel was so

loved by God and its no wonder why. Anyone who wants to know what our future holds and wants to learn more about Daniel definitely should read this book0 von 0 Kunden fanden die folgende Rezension hilfreich. So much said in so few pages!Von JGADr. Jeremiah reads just like he sounds on Turning Point. I've read a lot of books on Biblical prophecy but so much more is offered here concerning Daniel than in thicker readings. I intend to re-visit the book of Daniel and pay closer attention to what I've already read so many times before. Super book!0 von 0 Kunden fanden die folgende Rezension hilfreich. This book is a must for the faithful at heart.Von Ein KundeThis book is invigorating. It opened my eyes and heart. You can definately see the prophetic visions run rampant. I loved this book.
