ErnstIt would be absolutely ridiculous for me to review the quality of Wilde's work. He is by far one of the most extraordinary authors of all times. Thus said, if you are not familiar with his works, and you don't like sad endings, this is not the right lecture for you. However the volume by Collector's Library is charming. Despite being printed in China, its quality is exceptional. The book fits in the palm of your hand, and the illustrations inside are truly unexpected, but a wonderful bonus.0 von 0 Kunden fanden die folgende Rezension

hilfreich. Wunderschöne Märchen, jedoch keine Interpretationen. Von Anja Glatter. Es ist unbestreitbar, dass Wildes Märchen zu den bewegendsten überhaupt gehören. Von dem Titelzusatz "Lernmaterialien" erhoffte ich mir Interpretationsansätze und Sekundärliteratur, doch abgesehen von Literaturhinweisen und einem recht gutem Nachwort enthält dieses Werk nichts in dieser Richtung. "Lernmaterialien" bedeutet demnach lediglich Vokabelhilfen. Diese sind wiederum recht gut und ermöglichenden Einsatz dieses Werkes in der Schule. 3 von 4 Kunden fanden die folgende Rezension hilfreich. Excellent beyond compare!!!! Von Ein Kunde. As a child I didn't have the books of Oscar Wilde but rather the records. My imagination soared with his descriptions of life, and my eyes overflowed with tears at each story. The record of the Happy Prince was read by Bing Crosby and Orson Wells and each year at Christmas we still play that old scratched thing, just to hear it's wonderful love story and that of The Selfish Giant. Now I have to get the book so my nieces and nephews will share in my treasures of love!!!! What is this world if it isn't all about Love?

Kurzbeschreibung HardPress Classic Books Series Kurzbeschreibung HardPress Classic Books Series über den Autor und weitere Mitwirkende. Oscar Wilde was born on October 16, 1854, to the Irish nationalist and writer Speranza Wilde and the doctor William Wilde. After graduating from Oxford in 1878, Wilde moved to London, where he became notorious for his sharp wit and flamboyant style of dress. Though he was publishing plays and poems throughout the 1880s, it wasn't until the late 1880s and early 1890s that his work started to be received positively. In 1895, Oscar Wilde was tried for homosexuality and was convicted and sentenced to two years in prison. Tragically, this downfall came at the height of his career, as his plays, *An Ideal Husband* and *The Importance of Being Earnest*, were playing to full houses in London. He was greatly weakened by the privations of prison life, and moved to Paris after his sentence. Wilde died in a hotel room, either of syphilis or complications from ear surgery, in Paris, on November 30, 1900.
