Von Pierre Teilhard de Chardin : The Heart of Matter before purchasing it in order to gage whether or not it would be worth my time, and all praised The Heart of Matter:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. an autobiographical work by the Jesuit scientist...Von Craig Chalquist, PhD, author of TERRAPSYCHOLOGY and DEEP CALIFORNIA...and evolutionary philosopher. Worth having, if only for more of the author's wonderfully intuitive insights and a rough chronology of the development of his thought. A man of spirit as well as the earth, I think he would have liked Marie-Louise von Franz's description of alchemy, a discipline akin to the Father's own pursuits: "divine power in matter."
