Von Fabienne Pfeiffer
This is an awesome book. I had been to the Disney parks several times previous to reading, but it really opens your eyes to more layers of magic and will enrich your visit. The book covers all four of the theme parks in Orlando and provides you with detailed inside and background information on many of the attractions and park surroundings. You will come to realize and appreciate just how incredibly attentive and with how much care the parks have been designed, and you will learn a lot without ever feeling like being lectured. If you want to get the most out of your visit, this is the book to buy. It's worth more than twice the price!

Da auf Deutsch ein hnliches Buch nicht verfgrbar war, habe ich mich fr eine englische Version entschieden und bin nicht enttuscht worden. Warum dann nur 4 Sterne? - Trotzdem ich ein Disney Fan bin war mir die Hintergrundinformation teilweise einfach zu viel (un diich hab sie dann einfach ausgelassen). Mit in die Parks werde ich da Buch auch nicht nehmen, da es mir dazu einfach zu schwer ist. Ich habe es als Reisevorbereitung fr meinen nchsten Urlaub gekauft.

Wer sich auf einen Urlaub in Walt Disney World in Orlando vorbereitet, oder Disneyfans, die gerne auf das Detail achten, sollte(n) dieses Buch lesen. Es macht Spa durch die Parks zu gehen und auf kleine Goodies aufmerksam zu werden, die man sonst bersehen oder verpasst htte. Es sind viele schne Tipps dabei, die das Erlebnis in den Disneyparks noch unvergesslicher machen.
