Von Anne Maclachlan : The History and Mystery of Amber (Rainbow Readers Book 350) (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised The History and Mystery of Amber (Rainbow Readers Book 350) (English Edition):

Kurzbeschreibung What has a lovely golden color and can be made into jewelry, but is neither metal nor stone?

Amber! This material comes from trees, and it is not only beautiful but also important to history and

science. Kurzbeschreibung What has a lovely golden color and can be made into jewelry, but is neither metal nor stone?

Amber! This material comes from trees, and it is not only beautiful but also important to history and science.
