Nice action comicVon Wasistini BaitoningsihIt's a nice action story with conspiracy as a seasoning. It's very entertaining. However the drawings are sketchy like, so it's difficult for me to distuingish each character especially I read it on Kindle that has black and white color only.0 von 0 Kunden fanden die folgende Rezension hilfreich. Spannende Story

und schner Stil Von Rado K. Die Story ist zwar nicht super innovativ, dennoch spannend erzählt und gut gelungen. Die Grafik und Colorierung haben mir persönlich besser gefallen. Es werden Foto-Elemente mit Zeichnung kombiniert, um die einzelnen Szenen mit einem eigenen Charakter darzustellen. Den Stil habe ich bisher so noch nicht gesehen, aber ich fand ihn recht berzeugend und kreativ. Mehr davon :o)

Kurzbeschreibung Dr. Laura Regan is one of the world's foremost authorities on viral and bacteriological study. Having dedicated her career to halting the spread of infectious disease, she has always considered herself one of the good guys. But when her research partner is murdered and Laura is blamed for the crime, she finds herself at the heart of a vast and deadly conspiracy. Laura must evade law enforcement, mercenaries, and a team of cyber-detectives who know more about her life than she does - all while trying to expose a sinister plot that will impact the lives of every American.
