**Von Meredith, 1866-1947 Nicholson : The House of a Thousand Candles** before purchasing it in order to gauge whether or not it would be worth my time, and all praised The House of a Thousand Candles:

One of the best examples of native american fiction -unique Von Ein Kunde The highly mannered style and aggrandized gaze of Nicholson's world nevertheless delights and enchants the reader with the silken kaleidoscope of sensory values pulled through narrow golden hoop of the written page. Indiana's lace-edged tintype history gleams with romance,

mystery, substance. I am proud to own this signed first edition, and collect Nicholsons where others have imprudently overlooked them. The story begins as the hero enters the scene, nodding at the criminal foil, the stately and perfect heroine (American style if you please,) and the lifelong friend of the old school. Never again shall a writer look to the future and look back over the shoulder of American History with such finesse. A grand mystery, may Hollywood never grab it! 0 von 0 Kunden fanden die folgende Rezension hilfreich. Where women are strong and men are gentlemen. Von WHEEZE52@aol.com I can give this book no higher praise than I have read it every year for the last 15 years, and have never tired of it. It describes my utopia.

KurzbeschreibungHardPress Classic Books SeriesKurzbeschreibungHardPress Classic Books SeriesSynopsisMeredith Nicholson (1866-1947) was an American author, diplomat, and lecturer. He worked from 1885-1897 for the Indianapolis News. His first novel was Short Flights (1891) and his last was The Cavalier of Tennessee in 1928, which included both prose and poetry. He was a member of the Democratic party, serving one term (1928-1930) as a reform city councilman in Indianapolis. For his long years of service and dedication to the Democratic party, Nicholson was rewarded with ministries to Latin America-Paraguay (1933-34), Venezuela (1935-1938) and Nicaragua (1938-1941).
