**Von George Douglas Brown : The House with the Green Shutters (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The House with the Green Shutters (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen3 von 3 Kunden fanden die folgende Rezension hilfreich.  
Character studies of astounding realism.Von Ein KundeIn his story of the downfall of an arrogant and essentially stupid man, George Douglas Brown is relentlessly unsentimental. His portrait of life in a tiny Scottish town in the late 1800's leaves the reader with no illusions about the narrow-mindedness of the inhabitants. Bleak as their existence is,

the novel is not depressing, but fascinating. While many readers will have trouble with the dialect of the speakers (the narration is standard English), the effort required to "translate" is well rewarded.

Kurzbeschreibung This book was converted from its physical edition to the digital format by a community of volunteers. You may find it for free on the web. Purchase of the Kindle edition includes wireless delivery. Pressestimmen "Brown's masterpiece was practically the first Scottish novel since Galt which dealt with nineteenth-century Scottish life as it really was; to do this, and to get away from the sentimentalism of the Kailyard, it had to be sharply, almost brutally realistic." --Kurt Wittig, *The Scottish Tradition in Literature* Kurzbeschreibung This book was converted from its physical edition to the digital format by a community of volunteers.
