Von Jim Adams : The Immortal Tavern (English Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Immortal Tavern (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. A delightful memoir that retells the history of Boston's Warren Tavern Von Gang Chen "The Immortal Tavern" is a wonderful book by Jim Adams, a developer bought and renovated the General Warren Tavern, and reopened it as a fine dining establishment. It is not an architectural design book, but a memoir and a book on the history of Tavern, and

the people that make this place great. It includes vivid stories of culture clashes, friendships, politics, and colorful characters."The Immortal Tavern" has 206 pages. It is a delightful book that retells the history of Boston's Warren Tavern. Gang Chen, AIA, LEED AP BD+C, Author of "LEED GA Exam Guide," "Architectural Practice Simplified," "Planting Design Illustrated," and other books on various LEED exams, architecture, and landscape architecture

Kurzbeschreibung "What a place! You could have the president of Harvard at one end of the bar and Boston's best bank robbers at the other with everyone else in between." The Warren Tavern closed in 1813. It was reopened over a century and a half later in the shadow of an elevated railway in the midst of the gritty Boston District of Charlestown. The year was 1972, a decade of change. Few, if any, thought the Tavern would survive in a tough Irish enclave that didn't welcome outsiders. Remarkably, the Tavern prospered from the start and generated a clientele that was so diverse it became one of the most sought out bars in Boston. Find cops and crooks, party girls, movie stars, writers, politicians and longshoremen telling their stories. Their many tales and antics weave a colorful read, rich in character, humor and wit. Step inside the Tavern, join our crowd at the bar, and you won't want to leave.
